Comment. All posts at which units of the Potadam Mech Div are stationed are mentioned in paragraph 1. The supply of armored vehicles and motor vehicles through the Oranienburg distributing point is known from numerous previous reports. The present report for the first time gives

details on the location of the division headquarters.

Lenin Allee and 80-83 Lenin Allee, A total of 11 trucks and sedans were observed either parking in front of these installations or entering or leaving the restricted area. The restricted area on Lenin Allee (formerly
